Waiting for outlook.office.com...

From the Add Calendar drop down menu select "From directory"

The screenshot shows the Outlook web interface for a UCSF user. The main calendar view is for Tuesday, June 18, 2019, with a list of events including 'Chang Lab Meeting', 'AARG Data Presentation', and 'AGILE Team Meetings'. On the left, there is a sidebar with navigation options like 'Rooms' and 'Groups'. An 'Open calendar' dialog box is open, showing a search for 'neuroscience' in the 'From directory:' field. The search results list several calendars, including 'Neurosciences - SN532' and 'Neurosciences - SN438'. A red circle highlights the search input field, and a blue line points from it to a text box at the bottom right.

In the "From directory:" field type in "Neuroscience" to locate the Sandler calendars

The screenshot shows the Outlook web interface for a UCSF user. The main calendar view displays a weekly grid for June 18, 2019, with several events listed, including 'Chang Lab Meeting', 'AARG Data Presentation', and 'Chang Lab'. On the left, there are navigation options for 'Rooms' and 'Groups'. A search bar at the top left contains the text 'Neurosciences - SN438'. An 'Open calendar' dialog box is open, showing a search for 'Physiology' in the 'From directory:' field. The search results list several conference rooms under the 'Physiology' department, such as 'Physiology - RH402' and 'Physiology - RH202'. A red circle highlights the 'From directory:' field, and a blue line points from it to a text box at the bottom right.

In the "From directory:" field type in "Physiology" to locate the Rock Hall calendars
